Tuesday 16 th December	Grade 6 Graduation
Friday 19 th December	1.30pm finish Last day of the school year

Grade 3/4 Camp Queenscliff

A special thanks to the staff who attended the grade 3/4 camp. Many hours go into planning and organising to ensure these activities run smoothly. Lots of the staff also have young families, so it is important to recognise they give up precious family time to enable our students to experience these opportunities.

"Together we grow and learn"

Parking

Just a reminder, there are plenty of parks in Brazier St. We encourage where possible to drop students at the back of the school as gates open at around 8.20am each morning. The front doors do not open until 8.30am. There is also limited parking at the front. Disabled parking is restricted to those who have a sticker and the yellow lines mean no parking. This is to ensure the safety of the school community who are using the crossing. If you have any questions please contact the office to follow up.

Remembrance Day

Remembrance Day is this Tuesday 11th November @2.40pm. All welcome! The school has \$2 Poppy badges, \$3 wrist bands, \$5 pens, \$5 metal poppy badges and \$5 fabric badges

Eaglehawk Primary recognises Remembrance Day by supporting the Bendigo RSL Poppy Appeal, holding our school Remembrance Day service and our captains representing the school at the Eaglehawk Community Service at Brassey Square Eaglehawk.

Remembrance Day Service, November 11th 2.40pm - Presentation of Claude Brown Scholarship

The 2025 Claude Brown Scholarship will be presented at the School Remembrance Day Service on Tuesday, 11th November.

The Eaglehawk Primary School played a very important role in the lives of one Eaglehawk family. For most of them it was the only education they received, but they valued it and they encouraged their children to pursue further education.

Claude Brown was one of 12 children in his family who attended Eaglehawk Primary School. Sadly Claude lost his life while serving his country in World War 2 as a member of the Australian 2/4th Anti Tank Regiment in action in Malaya in 1942.

Claude's sacrifice was never forgotten by his family and they created a Scholarship fund in memory of their Uncle, to assist in the education of students at Eaglehawk Primary School. The Scholarship will be awarded to a student who consistently displays behaviour and attitudes in accordance with the Eaglehawk Primary School values of Caring, Community, Honesty, Learning and Respect.

2026 Planning

This term we begin planning for 2026, including class structures. If you are planning on moving in 2026, could you please contact the school as soon as possible.

Class Theme Hampers Fundraiser

Each class will be collecting donations for their themed hamper. Donations can be taken to classrooms. The themes are:

- Prep Nina- stationary
- P/1 Mon/Nick - books
- 1/2 Tracey- art
- 2 Bridget - water toys
- 3/4 Jess- cooking
- 3/4 Jack- sport
- 5/6 Stef - games
- 5/6 Stace- beauty

The Details

Showcase Entertainment Group is producing the TYA (Theatre For Younger Audiences) version of the show, with a running time of approximately 2 hours in 2 acts.

The show is written and directed to be accessible and fun for the whole family with show time options of 10.30am, 2:30pm & 6:30pm. Ticket prices start at only \$50 to maximum bang for your buck!

Our Book Fair is here for one more week! Come to *the library* to see all the great new books we have available. Lots of great new titles and some fantastic chances to buy books you have been waiting for. You can purchase via EFTPOS or online or cash (Limited change available)
Remember, every book you buy earns free books for our school!

Book Fair Wish List Prepayments

If your child brings home a Book Fair Wish List and you want to pay for these selections by credit card in advance, please:

1. Go to scholastic.com.au/payment
2. Click 'Book Fairs'
3. Enter amount and pay
4. Record receipt number on back of Wish List
5. Your child then takes this payment record back to school, chooses books at the Fair and takes receipt number to cashier as payment.

Grade 5/6 Stef	84%	H.E.R	2

Respectful Relationships - Family Talk

Topic 2: Personal Strengths

Goal: Recognise our personal strengths.

Activity 1: Personal strengths are our positive qualities. Ask a family member: *What are your personal strengths? What do you think are my personal strengths?* Swap!

Goal: Identify how you can use personal strengths in daily life.

Activity 2: Kindness is a personal strength. Being kind means you do things for others without expecting anything in return. Do something helpful for a family member. Share your acts of kindness with your family.

GRADE 1/2 TRACEY & GRADE 2 BRIDGET WEEK 5!

It has been another busy week in Grade 1/2 Tracey and Grade 2 Bridget!

In reading, we have been looking at persuasive texts – thinking about what we know about a topic before we read and what we have learnt that is new after we have finished reading.

In writing we have been writing a persuasive text about why pollution is bad! In maths we have been working on creating equal group and writing equations to go along with them.

WHAT'S BEEN HAPPENING IN THE 5/6 AREA THIS WEEK....

LITERACY

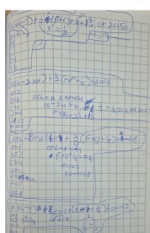

This week in reading, students have explored persuasive texts and advertisements. Students learnt to analyse and evaluate advertisements, recognising words that help to show tone and the writer's attitude. They identified information that reveals the writer's attitude towards the topic, explained why the writer has chosen to use positive words and inferred the tone and attitude of the text. They have also identified words or phrases that create a tone, described how these words or phrases reveal the tone and explained how the illustrations support the tone and attitude of the text.

This week in writing, students have focused on understanding various ways of presenting persuasive arguments, such as advertisements. Students learnt to plan a persuasive advertisement based on a product to be sold, including a main idea (the product) and arguments to convince the audience to buy it. Students worked on using research to support their arguments, identifying a clear audience for their product and including a statement that captures the audience's attention. They have also introduced their main arguments or claim to show their opinion and used careful word choice to make the audience feel confident in their arguments.

NUMERACY

This week in maths, students have been continuing to learn about how to use BODMAS, so we can solve complex multi step problems.

They have continued to explore chance experiments, predicting outcomes, identifying equally likely events, and comparing expected results with what actually occurred.
