Tonight, the fun begins at 3pm with plenty of FREE activities and live entertain-
ment. Our school choir is first up performing at 3pm so come down to support
them!

"Together we grow and learn"

Headspace Moving Up program for Grade 6

On Wednesday we had Coll from Headspace spend the morning with our grade 6 to support them in their transition from primary to secondary school.

Hats – school broadbrimmed hats

Just a reminder that caps and coloured hats are not part of our school uniform. Through State Schools Relief, we can now order vouchers that will cover the cost of school broadbrimmed hats. If your child needs a school hat please contact the office.

Remembrance Day

Last Friday we held our school Remembrance Days service with special guests Paul Penno and Raye Fleay who awarded the Claude Brown Scholarship in honour of her uncle. Well done to Rose, Bella, Sienna and Katie who lead the assembly.

On Saturday Ethan and Rose represented the school at the Eaglehawk Community service and Paul read Sam's poem. Well done to all our students who showed understanding and respect in honouring and remembering those who have served in Australian wars.

2024 prep transition

Friday 24th November is our next 2024 prep transition.

Breakfast Club

We would like to thank all the amazing volunteers that help out with breakfast program each week. Our students are lucky to have this opportunity 5 days a week. Just a reminder breakfast program finishes at 8.40am each day.

School Council

Our next school council meeting is this Monday at 2pm.

Friday Lunch

Next week lunches will be on Friday. Lunches will be fried rice

From Music

Please keep Monday December 18th, 2.00 pm -3.00 pm free for our end of year concert. Each grade will have the opportunity to perform, as well as the school choir. We would love you to come and help celebrate the work done by the students this term. The concert will be held in the Church building.

Art with Sharon

Prep students have been learning about texture. They created collage pictures of dinosaurs using materials with a variety of textures.

Grade One and Two students have continued their work with pattern. This week they used dot patterns to decorate a fish.

Grade Three and Four students have continued their work on texture. They completed their collage birds and then used newspaper print and patterned paper to create collage pictures of cats. The newspaper created an interesting textured effect.

Grade Four and Five and Grade Five and Six students continued to work on their Mungo inspired fruit and vegetable art pieces. They are looking forward to displaying them in the kitchen when they are completed.

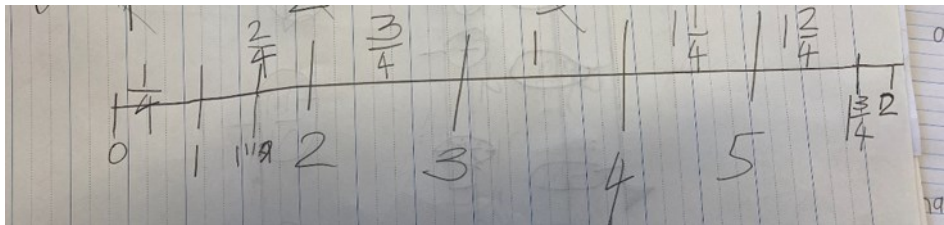

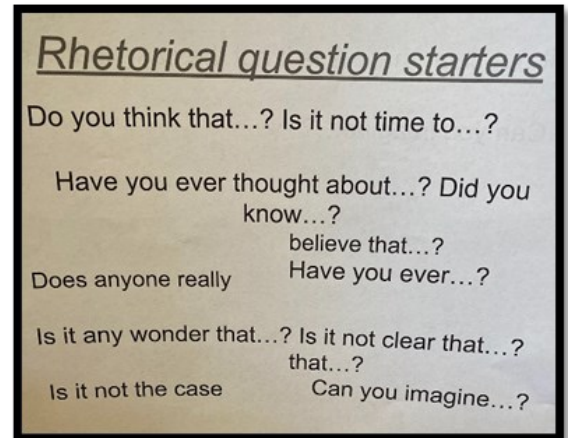

Grade 1/2 Update

The 1/2 area has been buzzing with learning and rewards! 1/2 Ellie celebrated with cake making and 1/2 Amber celebrated their Gotacha total with ice-cream creations! For reading, the children have been finding emotive language in persuasive texts. Emotive language are words that the author uses to help us feel a particular way. For example, "birthdays are full of unexpected surprises and joy" help us to feel excited! We have been transferring the emotive language we have been finding through our reading into the persuasive texts that we write. In maths, we have been using directional language such as up, down, left, right and forwards to help us to give directions.

A week in grade 3/4 Stacey and Jess

This week in Literacy we have been reflecting on our time on camp. We have been writing a persuasive piece 'school camp is the best'. The students have loved sharing about what made school camp so great and have written a persuasive piece convincing everyone to go on school camp. The students have also learnt about different persuasive devices 'rhetorical questions' and 'attacks' to add to their arguments.

In Maths we have continued to look at fractions. We are learning to count by $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$ and mixed fractions on number lines.

4/5/6 Update

This week in 4/5/6 we have been looking at print and video advertisements. We have been learning to infer the mood and tone of the piece and discuss which parts show the writer's attitude. In writing we have begun developing our own brand and product to create an advertisement for. We have used our skills on Canva to create a logo and catchy slogan.

In maths, we have been learning to find a percentage of a whole number (e.g. 10% of 800). Students have used the skill of finding 10% to then find larger percentages (e.g. 30% of 800 = 10% x3).

Our school wide focus of 'I use all of my equipment safely' has generated good discussion of what it really means to use equipment safely both inside and outside of the classroom.

Chinese with Phoebe

Prep

The prep students learned a Chinese story about tiger and fox this week, which is called 狐假虎威. They learned the pronunciation of 虎 (tiger) and 狐 (fox) in Chinese and watched a video to learn the story. Moreover, they also did a colour-in worksheet about it.

Grade 1&2

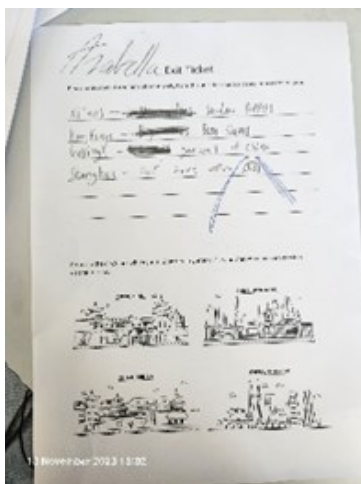

The Grade 1 and 2 students continued to learn another four Chinese words regarding fruit this week. These included 香蕉 (banana), 苹果 (apple), 葡萄 (grape), and 草莓 (strawberry). They practiced these words through playing the N+1 game and singing the fruit song.

Grade 3&4

The Grade 3 and 4 students learned 5 hobby words in Chinese. These included 跑步 (running), 跳舞 (dancing), 唱歌 (singing), 听音乐 (listening to music) and 画画 (drawing or painting). They also learned two Chinese radicals (mouth radical and feet radical) to help them memorise the Chinese words. They practiced these words through having a competition with the Chinese teacher and singing the hobby song.

Grade 4-5 Tayla & Grade 5-6 Nick

The Grade 4-5 & 5-6 students finished the exploration of 4 Chinese cities (i.e., Shanghai, Hong Kong, Xi'an, Beijing) by singing the city rap song. They practiced either in groups or individually and some of them came up to the front to perform in front of everyone. Moreover, they also put down 3 facts they remember from learning the four cities on the worksheet.
