2024 Preps

The 2024 Foundation Enrolment information including forms and state-wide timeline are now available on the Eaglehawk Primary School website or from the office. If you know of any families who are wishing to enrol at our school, please suggest they contact the school for a tour. Our staff and students are always so friendly and positive when new families are walking around.

Parent Opinion survey

Our school is conducting a survey to find out what parents / caregivers / guardians think of our school. The Parent / Caregiver / Guardian Opinion Survey is an annual survey offered by the Department of Education that is designed to assist schools in gaining an understanding of families' perceptions of school climate, student behavior, and student engagement. The survey is optional but we encourage all families to participate. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

The Parent / Caregiver / Guardian Opinion Survey will be open from
Monday 7 August to Friday 8 September 2023.

If you would like to participate information can be collected from the front office, or Fiona at the back gate.

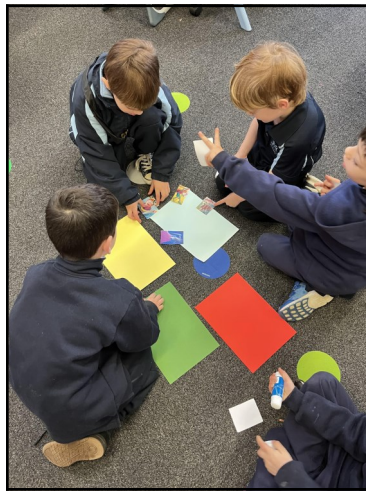

"Together we grow and learn"

From the Classroom:

Prep with Sophie and Monique

This week in the prep room, students have been learning about the setting of a story. Students have had to use the picture and text clues to think about where the story is taking place (e.g. beach, farm, forest or home). In writing students have had to get creative and change the characters (people/ animals) and setting (where they are) in known stories like Mrs Wishy Washy and Magpie and the Three Bears. This week marked the conclusion of our subtraction focus in maths.

Students demonstrated their learnings around take away and difference between by applying it to worded tasks. Also in Maths students have been exploring length, comparing two objects that can't be moved next to each other. They measured using paperclips and their own feet. In Zones of Regulation students listened to a story "The way I feel" and discussed how people can move through different zones throughout the day. Students also worked in teams to sort pictures of the character in this story into the different zones based on their body language.

From PE with Mr Weymouth

P-2:

Students have continued to work on their soccer kicking skills by focussing on accuracy. They have also incorporated the soccer dribble into some activities as well. The PMP program continues to grow each week as the students now know the routine and are becoming familiar with the activities.

3/4: Students were introduced to a new soccer kicking based game this week which worked on accuracy by trying to hit moving targets. They also worked on giving peer to peer feedback to a classmate to help them Identify one thing to work on and also one thing they are doing well.

5/6:

Students were introduced to a new soccer kicking based game that incorporated all aspects of a soccer game in a fun and exciting way. They will move on next week to learning about invasion games, specifically working on NFL Flag Football.

Chinese Incursion – Making Dumplings with Ivy Yuan (Chinese teacher)

As part of the learning activities, Grade 3 -6 students will help make Chinese dumplings on Monday 28th August.

The ingredients of the dumplings are:

dumpling wrappers, beef mince, water chestnut, spring onion, soy sauce, salt, vegetable oil

If your child has any allergies to these ingredients, please contact your classroom teacher prior to this date.

Reading Awards:

Congratulations to the following students on their reading achievements

75 nights - Andrew. B

175 nights: Grace D, Emily M
