Eaglehawk Primary School www.eaglehawkps.vic.edu.au

We acknowledge the Dja Dja Wurrung people who are the Traditional Custodians of this land.
We pay respect to the Elders both past and present of the Kulin Nation and extend that respect to other Aboriginal people.

Eaglehawk Primary School is committed to the safety and wellbeing of children and young people.

Newsletter 1, Feb 1, 2021

Calendar 2021

Friday 12 th February	Pupil free day – Math focus
Monday 22 nd February	Get to know you interviews- teacher/student/parent/carer
Monday 8 th March	Labour Day Holiday
Friday 2 nd April	1.30pm end of term 1

Welcome all families to the 2021 year at Eaglehawk Primary School. We have had many families start in 2021 and we thank you for choosing us. We know you will enjoy and value the partnership with the school. We believe that when we all work together we can achieve great things. We look forward to a great year.

A big thank you too, to the teaching staff who came in during the holidays to prepare their classrooms ready for the first day. There have been many hours of organisation and preparation to ensure a smooth and successful start to the year.

Newsletter

The school newsletter is the main form of communication between school and home and contains important information. The newsletter goes home most Mondays with the youngest in the family, or you can request to receive a copy via email. Spare copies are available from the front office if you don't receive one or alternatively you can read them on the website [Eaglehawk Primary School \(eaglehawkps.vic.edu.au\)](http://Eaglehawk Primary School (eaglehawkps.vic.edu.au))

Facebook

Please check our Facebook page for updates. As well as the main public Facebook page, each team will have a closed Facebook with messages particular to your class.
If you are not a member please contact the school or email your teacher.

Booklists

Thank you to all families that have already paid the booklist fee. For those who still need to pay, the school has Centrepay and card facilities. Please contact the office to organise payments as soon as possible.

Monday 22nd February – Get to Know You meetings

This is a great opportunity for families, students and teachers to meet and share valuable information and set semester 1 goals. On this day students come in school uniform and only attend during their interview time.

Staffing

There have been a couple of changes over the holidays and we are still waiting to confirm student numbers before finalising all positions but here are our staff at the moment. When emails are sorted they will send be provided to families so you can contact them directly of via the school phone 54463722

Office staff: Sue (Tuesday, Wednesday & Thursday) & Hayley (Monday & Friday)

Art – Kate

Music/Choir/Circus: Sharon

Science/Physical Education: Darin

Chinese: Ivy

Garden: Wah Heh

Kitchen: Mandy

Library (Class days)

Prep- 4—Thursdays

5/6—Fridays

Tips to help improve your child's attendance

- Talk to your child about school and how important it is. You can ask them how they feel about school, what they like and if there are any problems contact the school.
- Reward good behaviour and not bad behaviour. For example, if your child refuses to go to school, do not let them have access to their phones or the internet/games.
- Have a set time to do homework and go to bed.
- Leave all technology out of their bedroom.
- Pack their school bag the night before with everything they need.
- Have a set time for breakfast.
- Plan to meet up with a friend so they can travel to school together.

If you need any support with attendance or have any concerns please contact Rhys Barri at school for support.

Camps, Sports & Excursion Fund

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are \$125 for eligible primary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 54463722 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's Camps, Sports and Excursions Fund web page.

Check with the school office if you are unsure, and please return completed forms to the school

Annual Privacy [Information for parents and carers](#)

During the ordinary course of your child's attendance at our school, school staff will collect your child's personal and health information when necessary to educate your child, or to support your child's social and emotional wellbeing or health in the school context. Such information will also be collected when required to fulfil a legal obligation, including duty of care, anti-discrimination law and occupational health and safety law. If that information is not collected, the school may be unable to provide optimal education or support to your child, or fulfil those legal obligations.

For example, health information may be collected through the school nurse, primary welfare officer or wellbeing staff member. If your child is referred to a specific health service at school, such as a Student Support Services officer, the required consent will be obtained. Our school also collects information provided by parents and carers through the School Entrance Health Questionnaire (SEHQ) and the Early Childhood Intervention Service (ECIS) Transition Form.

Our school may use online tools, such as apps and other software, to effectively collect and manage information about your child for teaching and learning purposes, parent communication and engagement; student administration; and school management purposes. When our school uses these online tools, we take steps to ensure that your child's information is secure. If you have any concerns about the use of these online tools, please contact us.

School staff will only share your child's personal or health information with other staff who need to know to enable the school to educate or support your child, or fulfil a legal obligation.

When our students transfer to another Victorian government school, personal and health information about that student will be transferred to that next school. Transferring this information is in the best interests of our students and assists that next school to provide optimal education and support to students.

In some limited circumstances, information may be disclosed outside of the school (and outside of the Department of Education and Training). The school will seek your consent for such disclosures unless the disclosure is allowed or mandated by law.

Our school values the privacy of every person. When collecting and managing personal and health information, all school staff must comply with Victorian privacy law. For more information about privacy including about how to access personal and health information held by the school about you or your child, see our school's privacy policy: <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>

Throughout this notice, 'staff' includes principals, teachers, Student Support Service officers, youth workers, social workers, nurses and any other allied health practitioners and all other staff at our school. This includes employees, agents and service providers (contractors) of the Department, whether paid or unpaid.

Maths At Home Challenge 1

Each week we will present a maths task for you to complete with your child. The aim of this is for you to have fun engaging with your child's learning in mathematics. Students are to bring their work to school by Thursday of each week to go in the draw to win a prize on Friday's.

Two Dice (Prep – Year 2)

Here are two dice.

If you add up the dots on the top you'll get 7.

Find two dice to roll yourself. Add the numbers that are on the top. What other totals could you get if you roll the dice again?

Notes for adults

You will need two dice to play this game. The children can count the total number of spots on the dice or add them together using number facts they already know. Record the results and explore the different totals that you can get. Help them to find all the possible combinations.

What's the Number? Year 3-6

What do you need to find a number chosen from this hundred square?

0	1	2	3	4	5	6	7	8	9
10	11	12	13	14	15	16	17	18	19
20	21	22	23	24	25	26	27	28	29
30	31	32	33	34	35	36	37	38	39
40	41	42	43	44	45	46	47	48	49
50	51	52	53	54	55	56	57	58	59
60	61	62	63	64	65	66	67	68	69
70	71	72	73	74	75	76	77	78	79
80	81	82	83	84	85	86	87	88	89
90	91	92	93	94	95	96	97	98	99

Four of the clues below are true but do nothing to help in finding the number. Four of the clues are necessary for finding it.

Here are eight clues to use:

1. The number is greater than 9.
2. The number is not a multiple of 10.
3. The number is a multiple of 7.
4. The number is odd.
5. The number is not a multiple of 11.
6. The number is less than 200.
7. Its ones digit is larger than its tens digit.
8. Its tens digit is odd.

What is the number?

News from the classroom!

PREP: This week in Prep we will be learning to read and write the words 'I', 'go', 'up' and 'to' in literacy. In mathematics students will be learning to count from 0-9 and practising number formation.

Grade 5/6:

Welcome back grade 5/6 students and families for 2021. We (Nick and Donna) are so excited about the year ahead and are very impressed with the start students have already made. There is always a lot to pack into the first few days back at school including setting routines, outlining expectations, and getting to know each other. We will be working on persuasive texts in literacy so be prepared for your child to become very good at putting their opinions across to persuade you to their way of thinking. Perhaps they do this already! Daily home reading is an expectation and students have been set up with books to bring home to enable this. If your student isn't reading at home, we ask that you support them by reminding them and helping them to set up a routine that works for your household. This could be straight after school, just before bed, or while having breakfast, it really is whatever works for your household. More information on this to come. In Mathematics we are testing students to get an accurate picture of their needs, along with a focus on place value and number including multiplication. Any questions, queries or comments please contact either Nick or Donna.

Class	Student of the Week	Attendance Award
Grade 1/2 Jess	Brianna F for starting school with such a positive attitude and ready to learn.	Sophie-May H
Grade 1/2 Tracey	Lara B- for settling well into her new class and making some new friends.	Darcy B
