Whole school Return
 Last week saw the return of our 4-6 students. It was wonderful to see their smiling, enthusiastic faces and friendly 'Good Morning' as they entered the gate. Again **thank you** to all families for the hard work you have done during term 2 supporting home learning and especially preparing your child to return to school. Ten weeks is a long time, probably the longest break, these students have had since starting school, so they have adapted amazingly. Families have been amazing following department guidelines and remaining outside the school grounds. **THANKS** to all staff for their flexibility, adaptability, enthusiasm and dedication to teaching our students. It was a new learning for us all. From making videos and uploading to Facebook, daily marking of the roll via phone calls, weekly assessment conference calls, and correction of work and preparing work a week ahead all had its challenges, but they did it! Our amazing office staff were here every day answering calls and keeping everyone happy, paying bills and managing the day-to-day running of the school. Frank our cleaner spent time cleaning walls, drink taps and rooms so that the school was spotless for our students return.

Victorian Premiers' Reading Challenge

The Victorian Premiers' Reading Challenge is now open.

A new application is being used this year that offers a range of exciting features including:

- access to a library catalogue (including book images and blurbs)
- a modern user-friendly interface
- rewarding students with badges as challenge milestones are achieved
- the option for students to mark books as a favourite, give them a star rating or complete a book review.

The Challenge is open to all Victorian children from birth to Year 10 in recognition of the importance of reading for literacy development. It is not a competition, but a personal challenge for children to read a set number of books by 4 September 2020. Children from Prep to Year 2 are encouraged to read or 'experience' 30 books with their parents and teachers. Children from Year 3 to Year 10 are challenged to read 15 books. All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and former Premiers. To read the Premier's letter to parents, view the booklists and for more information about the Victorian Premiers' Reading Challenge, visit: www.education.vic.gov.au/prc
