Welcome back to term 3

We are excited to welcome students back to school and learning today. Returning to the school routine will hopefully support student and family wellbeing.

With the recent outbreaks around the Melbourne area we need to continue to follow Department of Education guidelines to keep everyone safe.

- All students to arrive at school between 8:20am and 8.45am at the back gate near the playground
- All students to be collected at 3pm from the back gate unless they are catching a bus
- Students will continue to sanitise their hands upon arrival at the school gate.
- Students will continue to sanitise before eating and after breaks.
- Parents/Carers will still need to remain off site and should not congregate and socialise at or near the gate or along the perimeter of the school in groups.
- School bubble taps are not to be used and students will continue to bring their own water bottles
- Breakfast Club will continue in Term 3 as a 'Brekky to Go' approach from the seats outside the kitchen

A Special Congratulations to Jessey and Mr. Hon

It is with much excitement that we announce the engagement of Jessey and Mr Hon over the holidays. On behalf of the school community, we wish them a lifetime of happiness and health, and all the very best planning their future together.

Welcome to new staff

This term we welcome Colleen Gibson (teacher) who will be working across the school and Lila Delahenty (classroom support). We know they will be great additions to the Eaglehawk Primary staff.

3 way Interviews

Thank you to all students, parents/carers who attended our 3 way interviews at the end of last term. All teachers really value the important role parents/carers have in supporting their child's education. This could not have been more true during term 2 during remote learning as parents and carers took on the role as educator.

Elmore Pie Drive

Enclosed is the Pie Drive order form, orders and money are due in next week **Tuesday 21st July**. These are delicious and they have a great range, something for everyone, and make an easy cooking night so please have a look at what is available.

Website

Our new website is active. Here is the link. Please share it with family and friends. It has a virtual tour of the school and hopefully this week will have student thoughts.

Drink Bottles

All students are required to have their own drink bottle so they are NOT using drink taps.

Prep 2021

If you know of any families with kinder age children, please encourage them to either call or email the school for further information. The due date for Foundation 2021 enrolments has been extended until 31st July.

Our school values literacy and numeracy learning through small class learning groups
